[According to the California Department of Education](#), the California *Education Code (EC) 51225.3* has specified a minimum set of courses to meet state requirements to graduate from high school and receive a diploma. The governing boards of local education agencies (LEAs) have the authority to supplement the state minimum requirements at the local level.

EC 51225.3 states that all pupils receiving a diploma of graduation from a California high school must have completed all of the following courses, while in grades nine to twelve, inclusive:

- Unless otherwise specified, each course shall have a duration of one school year:
 - Three courses in English
 - Two courses in mathematics, including one year of Algebra I (*EC Section 51224.5*)
 - Two courses in science, including biological and physical sciences
 - **Three courses in social studies, including United States history and geography; world history, culture, and geography; a one-semester course in American government and civics, and a one-semester course in economics**
 - One course in visual or performing arts, foreign language, or commencing with the 2012-13 school year, career technical education. For the purpose of satisfying the minimum course requirement, a course in American Sign Language shall be deemed a course in foreign language
 - Two courses in physical education, unless the pupil has been exempted pursuant to the provisions of *EC Section 51241*
- Other coursework adopted by the local governing board of the LEA
