

How to Use!

Description

The Stock Market Companion™'s central product is called the *15Minute* Market Update Program, and consists of these carefully designed, purposeful, and easy to use tools â€œ

- Web-based 15Minute Market Update â€œ Published for members who log-in on our website to access the membership side of our site â€œ 3x/week: Monday / Wednesday / Friday
- Stock Market Companion Watchlist â€œ Published as a link on each *15Minute* Market Update (link conveniently located at the top of each 15Minute Market Update)
- Executive Summary of Market Events â€œ On each Monday / Wednesday / Friday. Members receive by EMAIL a short overview of what is contained in that dayâ€™s *15Minute* Market Update. This serves to-

â€œ â€œSpeed-upâ€• the process of sharing information, and inform members that the *15Minute* Market Update is available on the website for their review.

â€œ Provide a quick summary of what has taken place in the market that day and what is getting our attention.

â€œ Provide useful links to information, articles, and charts.

â€œ Provide a quick link to that dayâ€™s *15Minute* Market Update

- Stock Market Companion Intra-Day Alerts and Updates â€œ These are EMAIL notices designed to inform members of singular, important events that are unfolding in the market that may lead to stock investing opportunities or explain what is happening quickly. We use Email to inform members of our own investments â€œ buying or selling of shares (to see how we do it). (SMC Intra-Day Alerts and Updates cost an additional \$9.95/month)
- Stock Market Companion Successful Investing Quizzes â€œ These are unique web-based multiple choice quizzes that tie together timeless and current investing concepts in a manner that teaches and challenges in a fun and meaningful manner. (We archive all quizzes so that past quizzes are readily available for reference and re-use).

- Stock Market Companion Successful Investing Videos “ We have begun providing “ at no additional cost “ short, web-based 5 minute video™s that teach or show what is happening in the marketplace that has our attention or that we feel is significant for learning.
- Stock Market Companion Successful Investing Webinars “ From time to time we hold webinars that include live question and answer sessions.

We are *passionate* about teaching how to understand the markets and successful individual stock investing!
